**QUEBEC CLASS ACTION SETTLEMENT CLAIM FORM**

**You must provide a dated proof of purchase for each of the locks.** If the lock was purchased **before** January 1, 2001, then the **only** available benefit for that lock is a DIY Upgrade Kit. If the lock was purchased **after** January 1, 2001, then you can choose among any one of the three available benefits. If your lock has the letter "S" stamped into the lock body, then it has already been upgraded, and is not included in the Settlement Agreement, and you cannot make any claim for that lock (see main claim form for details on locating the "S" on your lock.)
